General Information

Introduction

This brochure contains brief descriptions of tours available. Please book your excursions as soon as possible since certain shore excursions can accommodate only a limited number of participants. We recommend that you purchase them in advance of your cruise in order to avoid disappointment.

Restrictions

Please note there are certain excursions that for safety reasons, age, weight and/or height restrictions apply. These restrictions are imposed by the individual vendor and Celebrity Cruises, Inc. must comply accordingly.

Tour Availability

Please note that not all tours are available on all ships. Tour prices and itineraries are in effect at the time of printing. Prices included herein are subject to change at any time and may vary by sailing.

Weather

Most tours will operate rain or shine. However, full refunds will be made to guests holding tickets for canceled shore excursions. In the event of a tour cancellation, every effort will be made to accommodate guests on other available tours.

Children's Pricing

Unless indicated, children's pricing is valid for children 12 and under. Guests under 18 years of age must be accompanied by a parent or guardian.

What To Know

SHORE EXCURSION OFFICE: Desk hours will be announced on board in the ship's Daily Program. Normally, the office will be closed while the vessel is in port, unless otherwise stated.

TIMES OF TOURS COMMENCEMENT will be published on board. In the interest of all concerned, please be punctual to the meeting points. Guests wishing to travel with friends should proceed to the point of departure as indicated on your shore excursion tickets, as this will help the tour staff to allocate space in the same vehicle.

EXCURSION TIMINGS: Most morning tours will meet in a lounge onboard the ship. When the ship is at anchor, staff will be on hand to assist you to the departure point. Timings have been established according to information received from our Tour Operators but are subject to alterations should the vessels arrival time at the port be delayed or circumstances arise whereby the itinerary for a particular excursion must, necessarily, be amended. Kindly note that tour times provided online may be earlier than the vessel's scheduled arrival to a port of call. The time listed may be in local time as provided by the tour operator. The most accurate tour departure time will be provided directly onboard the vessel. When the ship lies at anchor, guests should allow ample time for the tender ride to shore. When booking more than one tour in a day, please allow at least 60 minutes between the return of the first tour and the departure of the second tour. Tour departure times may vary from those listed on the order form, especially in ports where the ship must tender guests ashore. Please check your tour tickets for the time and location of departure. No announcements for the tours will be made onboard the ship. All guests are required to be back aboard ship no later than 30 minutes prior to the scheduled departure time, which is listed in the Daily Program and posted at the gangway. The scheduling of all Shore Excursions conforms to this requirement. If you leave a tour en route, it will be your responsibility to secure transportation and return to the pier on time. If for any reason a ships excursion is delayed in its return to the pier, the ship will be notified and will await the tours return.

JOINING EXCURSIONS: Please show your excursion ticket when coming ashore and boarding the excursion vehicle.

SEATS are not reserved in advance. This procedure aids the rapid departure of excursions.

PRICES of shore excursions are quoted per person and generally include available local transportation, ranging from coaches, taxis, limousines, and boats. Meals and local taxes are included where specified. Where tours are operated by car, 2 to 3 persons are

allocated to each vehicle.

WITHDRAWAL OF TOURS: The right is reserved to withdraw any tour, to limit membership in any tour, or to make alterations in the operation of any tour, which may be deemed advisable for the safety or convenience of guests.

ITINERARIES are expected to be operated as described in the brochure but the right is reserved to change or omit a place to be visited or the sequence of the tour, in accordance with conditions or circumstances prevailing at the time of tours, with or without previous notice; bearing in mind the convenience and best interest and safety of guests. The right is also reserved to decline, to accept, or retain any person as a member of any party at any time.

RESERVATIONS/CANCELLATIONS: Shore Excursions are available for purchase once you are aboard the ship and en route to your destinations except where otherwise noted, within the deadline advertised in the ship's daily program. Very shortly after each closing time and date, final confirmations are sent from the ship to the Agencies concerned informing them of the definite and final requirements for meals, seats, number of automobiles and coaches, etc. If notice of cancellation is received after closing date and hour, a refund can be assured only in the event of the ticket being resold. However, in the event of any of the shore excursions having to be canceled, full refund will be made and upon tendering of same Celebrity Cruises shall be free of all liability in respect thereof. The closing dates and hours for all tours will be announced in the daily issue of the ship's program.

REFUNDS: No refunds are made to any guest who might cancel, deviate, leave, or otherwise not utilize all of the services scheduled to be provided by an excursion. Members of any excursion who elect to leave the automobiles or coaches, in the shopping area, or elsewhere, must provide their own transportation at their expense back to the landing place of the vessel. Should any such excursion, however, be abandoned through force majeure the best possible refunds will be arranged according to the circumstances. Any refund request of prepaid excursions received by Celebrity Cruises 4 days prior to sailing will be made in full. Refund requests made onboard after the Shore Excursion Office closes ticket sales for that particular port will not be accommodated.

TOURS PURCHASED ONBOARD will be charged to your Celebrity Signature Account Card.

GUIDE SERVICES AND TRANSPORTATION EQUIPMENT: In certain interesting but off the beaten track places, professional guides are at a premium. The best available and obtainable guides of competence are engaged. It is exceptional for drivers of public hire vehicles to speak any language but their own. Transportation equipment used for the shore excursions is the best available in the ports of call. Air-conditioned vehicles are not always available nor do all tour buses have restroom facilities onboard.

ENTRANCE FEES: Entrance fees to all museums and sites are included in the price of the respective shore excursions unless otherwise stated. Occasionally, a small extra charge is levied if photographs are taken, and this is not included.

TIPS: Tipping of any service personnel encountered on any of the shore programs is strictly optional.

MEALS: Most tour departure times complement the ship's meal service hours, so you can enjoy your meal aboard and then go ashore. However, if you take more than one tour in a day, your return on board may not coincide with meal hours. You'll be informed of meal times before arrival in each port. Full day tours include meals where indicated.

ALTERATION OF FARES, TRANSPORTATION SERVICES, ETC: All prices quoted are based on tariffs and exchange rates current at the time of printing, and are subject to increase with or without previous notice consequent upon any increase in the basic tariffs and/or exchange fluctuations, which may accrue prior to commencement of the tours.

NIGHT EXCURSIONS vary throughout the world's cruise ports. Many hotels have international-type acts, others national dances or folklore shows. Some ports are renowned for nightlife, while others are more conservative. We aim to take you to the most generally accepted shows for the region. Check the charges before ordering extra refreshments, photographing, or recording.

DRESS WHILE ASHORE: The local authorities and inhabitants of the countries visited have more conservative ideas concerning dress than you may be accustomed. So as not to offend local opinion, we would suggest that you should dress conservatively.

Activity Level

The Shore Excursions presented in this brochure require the guest to use a motor coach or other forms of transfer which will require the guest to step up 2 to 3 steps, approximately 10 inches high each. Most (but not all) coaches used can accommodate collapsible wheelchairs. However, it should be noted that escorts, drivers, guides, and shipboard staff are not obliged to lift guests into the vehicles. Lift-vans and/or coaches are not available in all ports of call. Tendering may preclude guests in wheelchairs from going ashore at certain ports of call. For tendering procedures, guests with special needs should contact our Access department at special_needs@rccl.com or by calling (866)592-7225.

To assist our guests in choosing their excursions, all tours have been graded accordingly to the level of activity they entail. Please refer to the tour symbols(s), which appear in each tour description. Kindly note the below symbols act only as a guideline and guests must make their own judgment regarding participating in tours. The symbols represent the following:

Mild

To fully participate may require leisurely walking over primarily even surfaces. There may be a limited number of steps, a minimal amount of cobblestones or uneven surfaces, and some standing for extended periods of time.

Moderate

To fully participate may require extended periods of walking over even and uneven surfaces, steep terrain and/or water activity in a slight current. There may be steps, inclines, cobblestone surfaces, and extended periods of standing. Participants with physical limitations should take this into account.

Strenuous

To fully participate may require extended periods of physical exertion, extensive walking, climbing, or biking. There may be numerous steps, inclines, cobblestones, and other rough terrain throughout the excursion. These excursions are the most active and have been designed for participants in excellent health and very good physical condition.

Meals

Most tour departures complement the ship's meal service hours. If a meal is served on an excursion, it will be designated with this symbol.

Dress Code

Conservative attire is recommended when going ashore on this tour. No exposed shoulders or knees. Short pants and tank tops are not acceptable.

Shopping

Time permitting, limited shopping is available during the tour.

Waiver

All participants on this tour are required to complete a waiver and/or release form. This document will be distributed by the tour operator prior to commencing the tour.

Light Snack / Refreshment

If a light snack or refreshment is served on an excursion, it will be designated with this symbol.

Family Friendly

These tours may be suitable for families with young children. Age restrictions may apply.

For guests who are full-time wheelchair users. Guests may remain in their wheelchair or scooter for the duration of the excursion.

Must Transfer from Wheelchair

For guests who use collapsible wheelchairs or scooters. Guests must transfer from their wheelchair or scooter to board the motorcoach, usually 2 or 3 steps. Guests should be self-sufficient. If assistance is required, guests should travel with a companion to provide any required assistance.

Your first historical stop will be at the Passangrahan Hotel, St. Maarten's oldest inn, which was originally the Governor's House and then the Royal Residence when St. Maarten's Queen Beatrix would visit. Continue along the Boardwalk for your next stop at the Captain Hodge's Wharf which is the center of this bustling & colorful town and was the original fishing and shipping venue in the early 1900's.
