The course schedule for the entire week is enclosed. Your Tuition includes all meals, daily horseback riding (except Sunday), one 50-minute massage, two riding lessons, and evening entertainment.

Please plan your flights so that you arrive in Tucson before 1:00 p.m. on Monday, October 31st, and have your flights depart Tucson after 1:00 p.m. on Sunday, November 6th.

Packing Instructions and Attire

Tucson and its surrounding areas are mostly sunny with temperatures in the high 70's to mid 80's during the day and 50's at night. A coat or a light jacket is recommended for the evenings. All restaurants and eating venues on the property are casual.

Hiking, rock climbing, archery, fat tire e-bikes, shooting range, swimming, and horseback riding are some of the activities available to you while at the ranch. Be sure to pack for outdoor activities and bring loose, casual clothing in which you would be comfortable lying on a carpet or doing very mild exercise during the course sessions. On arrival day, you will be given a link along with instructions to the ranch's activities sign-up portal at my.whitestallion.com.

You can find driving directions to the ranch and a complete packing list for your week on our website at: <http://www.acruiseworld.com/pdf/Driving%20&%20Packing%20Instructions.pdf>

Airline Check-in and Luggage

Take a moment to review your flight itinerary and make note of the airline, departure date, and flight times. If you notice a discrepancy, please contact the airline. Because airlines make changes frequently, reconfirm your flight information 48 hours before your departure. Phone numbers for airlines can be found at: <http://www.tollfreeairline.com/>.

It is best to arrive at your departing airport at least 90 minutes prior to the departure of your flight. If you encounter a long delay getting to Tucson or to the ranch, please call the White Stallion Ranch at (520) 297-0252. The ranch can revise your pick-up arrangements and let the course leader know when to expect you.

Transportation to/from the Airport

If you have already provided us with your flight information, we have arranged for your transportation from the Tucson Airport to the White Stallion Ranch. After arriving at Tucson International Airport and

collecting your luggage, you will find a White Stallion staff person at the airport by baggage claim. The shuttle will take approximately 40 minutes to reach the ranch. If you do not see a White Stallion representative, please call the ranch at (520) 297-0252.

Riding Lessons

In addition to the daily activities at the ranch, we have included two horseback riding lessons during the week as part of your tuition. These lessons are designed to advance your riding skills and we encourage you to partake in these lessons as early in the week as you can. We will have a sign up sheet in back of the course room to schedule your lessons. Additional riding lessons can be scheduled for \$20.00 per session.

Massage Reservations

One 50-minute spa treatment is included in your course tuition. If you did not let us know your preferred massage date, we selected a date for you, which is listed on your Spa Confirmation Sheet located in your welcome packet. Due to high volume, there are limited alternates. If your spa appointment is not convenient for you, please contact us as soon as possible.
