

Hi, this is John Severson, the travel agent for the Landmark Education Vacation Course, Transforming Yesterday's Strategies, being held at the Grand Hotel Quisisana in Capri, Italy. I am writing this letter to give you information about arranging your travel, obtaining the necessary documentation for entering Italy, purchasing travel insurance and additional services we can provide.

Also, I have enclosed the Travel Information Form and a brochure on the hotel. Please complete the Travel Information Form and return it within ten (10) days using the enclosed envelope. You can also complete this form on-line at www.acruiseworld.com/landmark.

TRAVEL INFORMATION

We recommend flying into the Naples Airport (NAP) and taking the hydrofoil ferry from Naples to Capri. Please plan on arriving at the Naples Airport (NAP) before 11:00AM on September 12th to allow plenty of time to catch the ferry to Capri. Our first course session on Wednesday, September 12th is scheduled to start at 4:00 PM. The final course session on Tuesday, September 18th ends at 10:00 AM. For your departing flight out of Naples, please schedule a flight out of Naples no earlier than 2:00 PM on Tuesday, September 18th.

For those traveling from New York, Eurofly (euroflyreservations.com) offers a nonstop flight departing New York (JFK) 10:30 PM on September 10th arriving into Naples at 1:10 PM on September 11th. Spend one night in Naples and head on to Capri on September 12th. Eurofly has a returning nonstop flight to New York leaving Naples at 3:10 PM on September 18th.

If you're staying overnight in Naples, we recommend the Grand Hotel Vesuvio (www.lwh) as our first choice. If that is not available, we also recommend the Hotel Excelsior (starwood.com). Both hotels are located about 5-10 minutes by cab to the Port of Naples.

Departure times and prices for hydrofoil ferries between Naples and Capri can be found at <http://www.capri.com/en/orari-traghetti>

We request that you include details about your flight arrival on the Travel Information Form.
